PROFILE

Results-oriented IT Technician with over three years of hands-on experience in networking, CCTV installation and configuration, and technical support. Strong practical background in diagnosing and resolving hardware, software, and connectivity issues. Complemented by foundational software engineering training gained through structured online coursework. Demonstrates strong problem-solving capability, attention to detail, and the ability to work independently or in team-based environments.

WORK EXPERIENCE

BOBTECH ENGINEERS

2023 - PRESENT

IT TECHNICIAN

- Install, configure, and maintain wired and wireless network infrastructure.
